aria
palma**

A black and white photograph of a dense tree canopy. The left side shows a large, light-colored tree with many small, pointed leaves. The right side is mostly obscured by a large white rectangular overlay. The text 'loto ninfea' is printed in the bottom right corner of the white area.

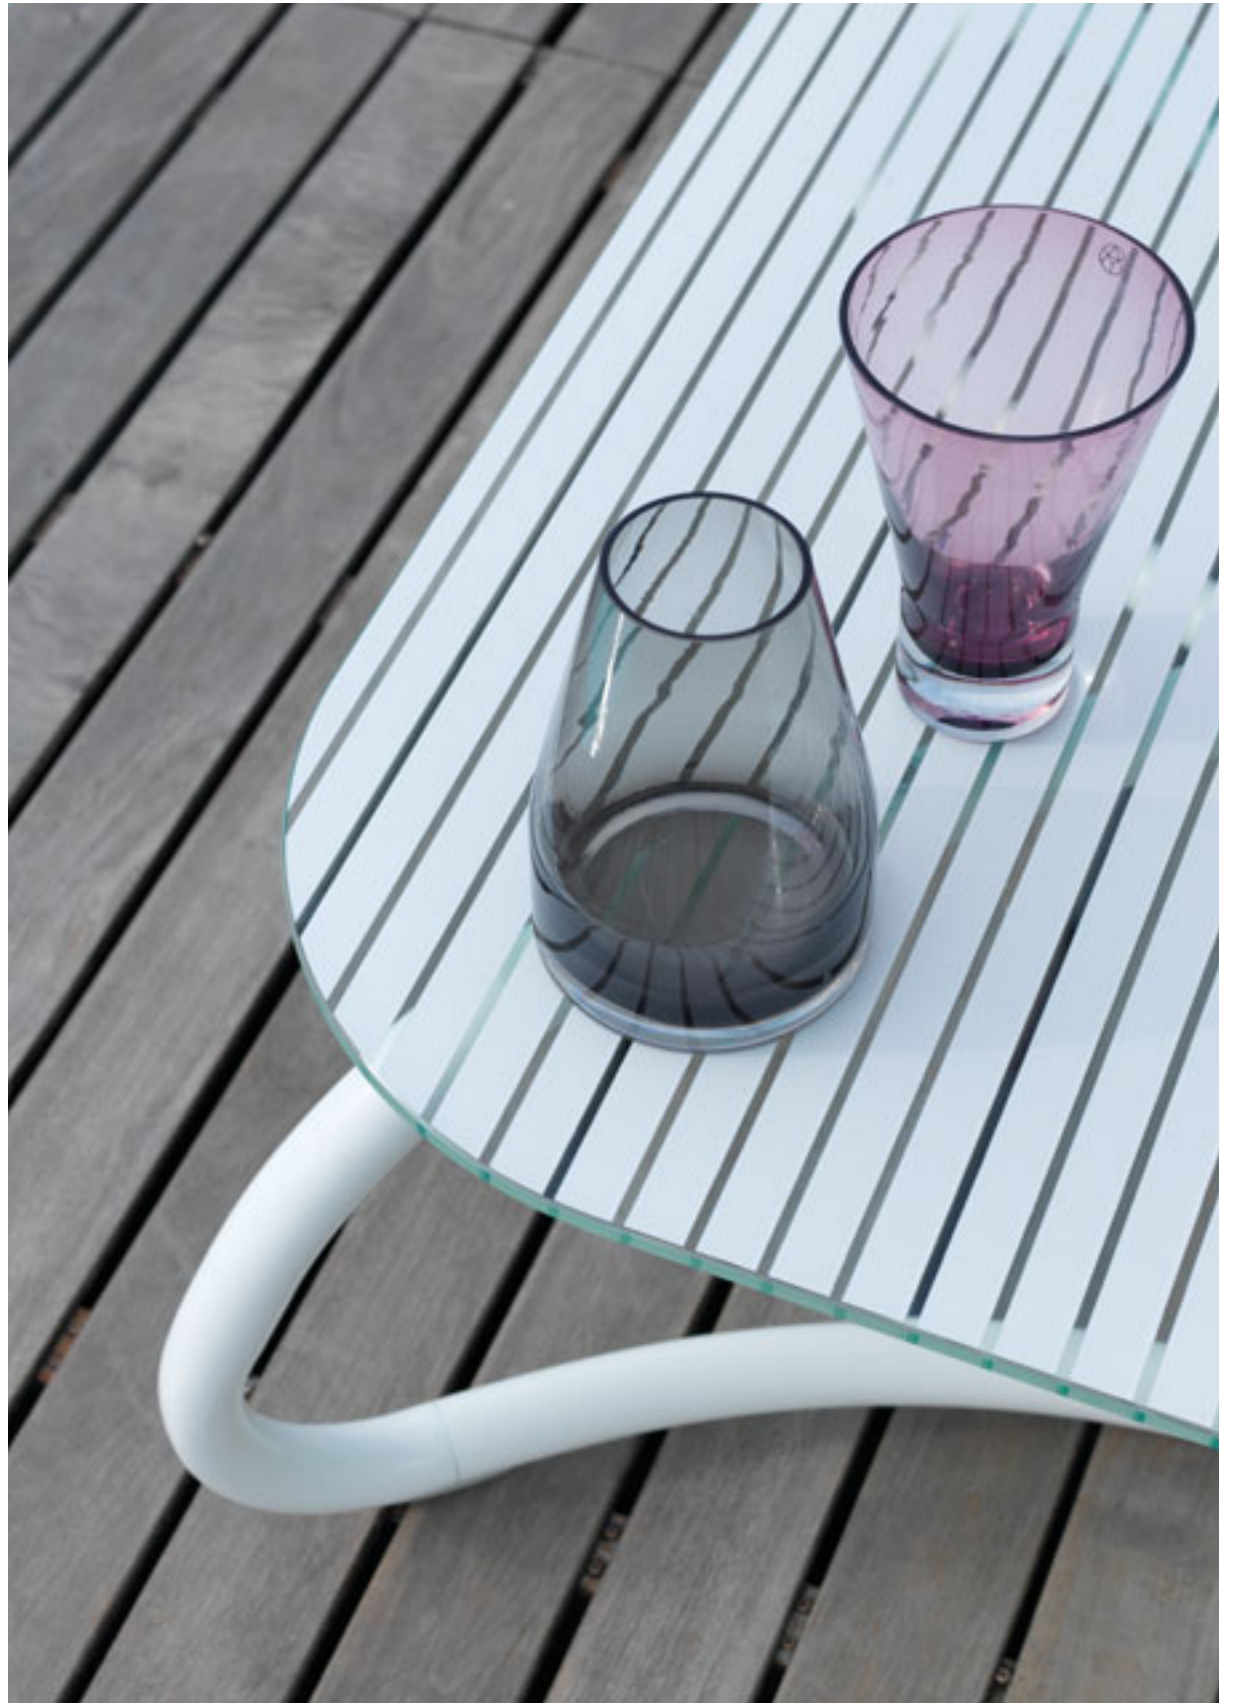

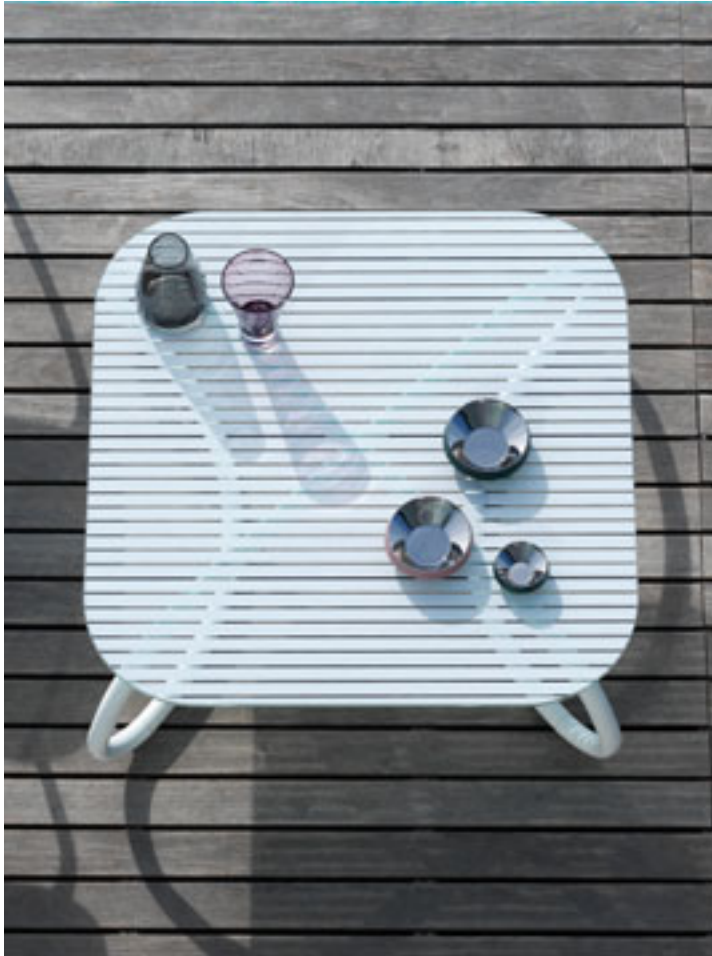

**loto
ninfea**

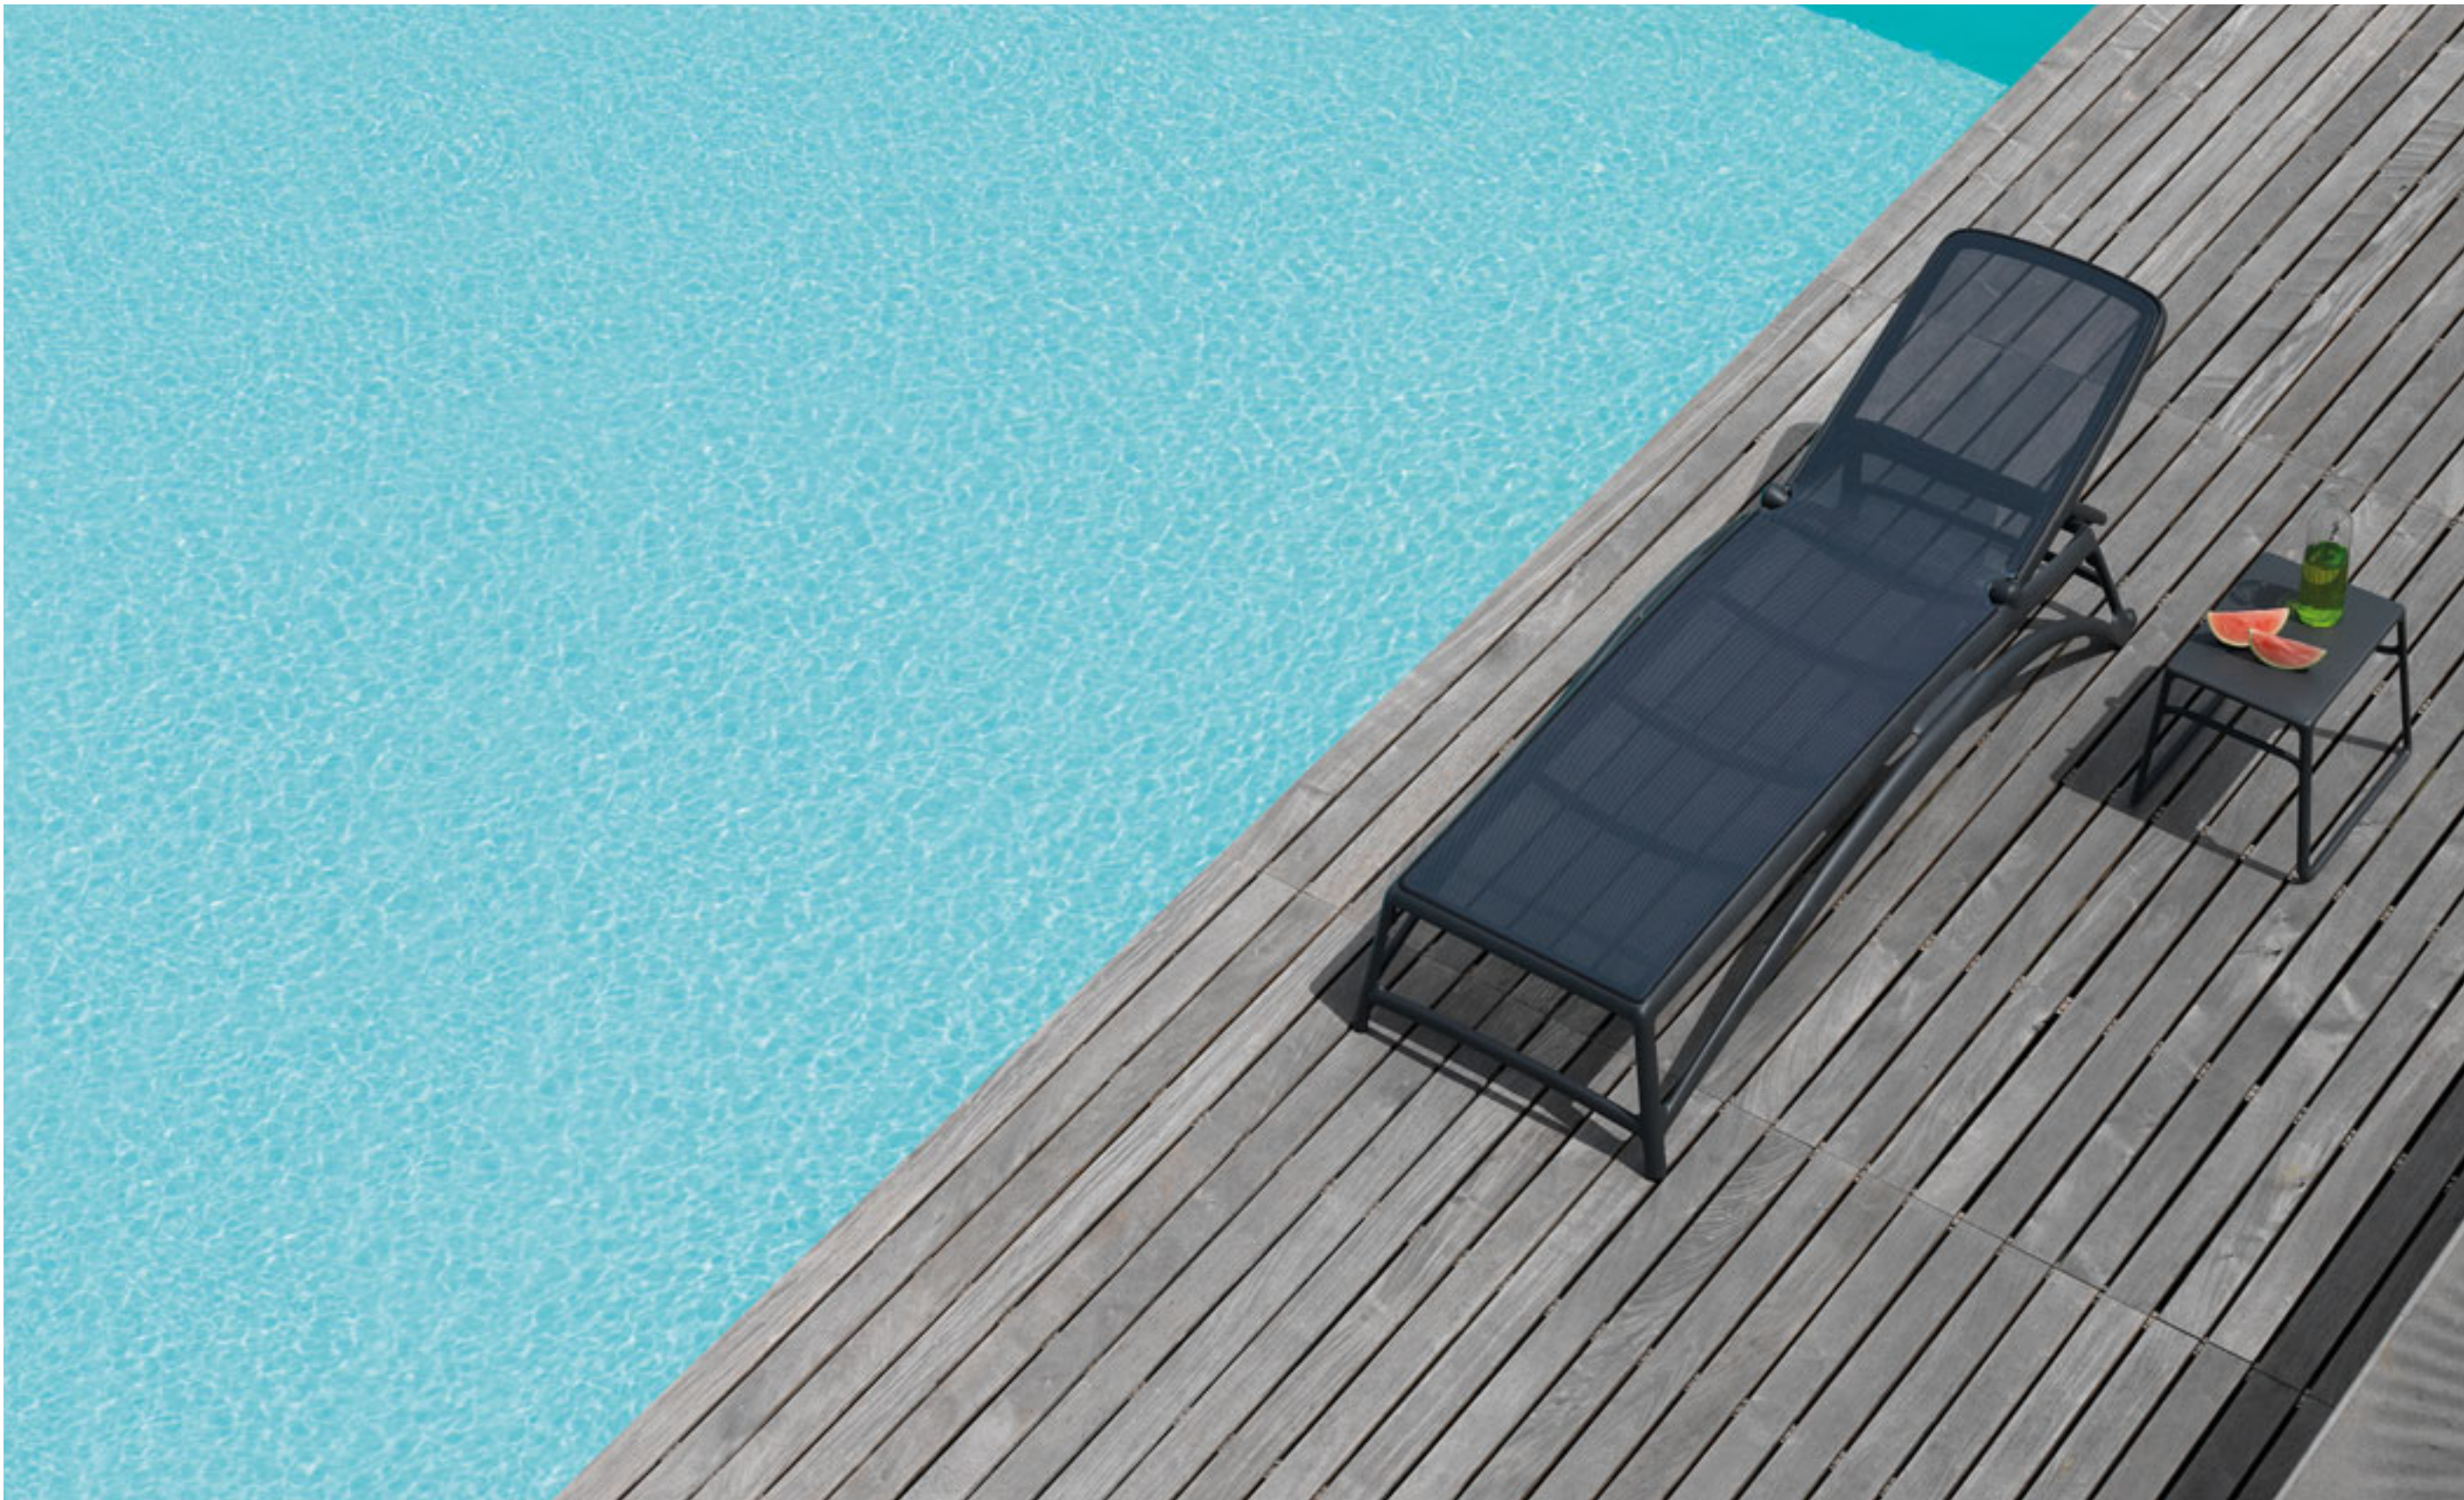

A black and white photograph of palm fronds, likely from a fan palm, filling the left and bottom portions of the frame. The fronds are long, narrow, and radiate from a central point, creating a strong geometric pattern. The lighting creates high contrast, with bright highlights on the edges of the fronds and deep shadows in the center. A large, solid white rectangular area occupies the right half of the image, serving as a background for the text.
